31st December 2017

Even after successful holding of our 16th Conference we could not do much in this year in terms of organizing movements to face the offensives of the Management. We are even yet to meet the new MD & CEO who joined the Bank six months ago. Let us therefore make a fresh start for a beautiful new beginning in 2018 with full conviction and determination where there will be no room for any looking back. We shall overcome in some days.....

**May the New Year bring joy, peace & happiness
to you & your family members.**
